

■ Caterpillar BH27 Side-Shift Backhoe Attachment – For Sale

Company: Golden Trust Machinery Trading

Location: Dubai – Ras Al Khor, UAE

Contact: ■ +971 555 331 888

Email: info@gttmachinery.com

Price: ■ AED 27,500 (Negotiable)

■ Equipment Specifications:

Model: Caterpillar BH27 – Side Shift

Year: 2007 (Made in Spain)

Operating Weight: 785 kg (1,730 lbs)

Hydraulic Flow Requirement: 57 L/min (15 gpm)

Operating Pressure: 23 MPa (3,324 psi)

Mounting System: Skid Steer / Multi-Terrain Loader compatible

■ Operating Performance:

Digging Depth: Up to 3.3 meters (10.8 ft)

Reach from Swing Pivot: Approx. 4.1 meters (13.5 ft)

Bucket Width: 450 mm (18 inch) original CAT heavy-duty bucket

Bucket Capacity: 0.06 – 0.08 m³

Swing Arc: 180° rotation

Stabilizers: Hydraulic stabilizer arms for maximum digging stability

Controls: Dual lever / joystick controls

■ Key Features:

- Side-Shift Version: Allows the backhoe to move left and right for maximum flexibility, ideal for trenching along walls and fences.
- Genuine Caterpillar – Made in Spain.
- Condition: Lightly used, repainted, hydraulics in good working order.
- Applications: Construction, trenching, utility installation (water, electricity, telecom), agricultural use.

■ Why Choose This BH27 Side-Shift?

- More valuable than the standard center-mount model.
- Offers approx. 20% higher market value due to the side-shift feature.
- Strong demand in UAE construction & utility projects.
- Priced competitively compared to market (usually AED 30,000 – 35,000).

■ Available now in Dubai – Ras Al Khor Yard.
